Dear Colleague:

You are invited to participate in the 52nd annual session of The Peninsula Dental Society's Visiting Professors Seminar Programs. Once again, we have worked diligently at the task of producing another quality series of stimulating, timely, and knowledgeable, world class speakers, some of whom are not frequently available in our area. We hope you find them worthy of your support.

If you are a past member of The Peninsula Dental Society, you are undoubtedly aware of the outstanding value afforded by annual membership. We will once again be able to offer a fine roster of speakers, in a comfortable, convenient venue, with first rate food, including continental breakfasts, sumptuous hot, buffet-style luncheons, and educational materials. You won't have to battle Manhattan's traffic and parking nightmares to reach us either, and there's always plenty of free, on-site, parking. Your tuition may be tax-deductible as well. Ask your accountant!

In addition, we are often told by attendees that the opportunity to socialize and interact informally with colleagues concerning the challenges and rapidly changing landscape of private practice, is a valuable, intangible, benefit of membership. Please take a moment to review the enclosed 2020 program. Due to space limitations, we are only able to guarantee acceptance to the first 150 applicants, in the order in which they are received. Due to the closure of the hospital and the loss of its resources, it would be greatly appreciated if you would submit your completed application at your earliest convenience.

Thank you for your consideration of support for our program. I look forward to seeing you in December.

Sincerely,

*Leonard E. Schiffman, D.M.D.*
