Memberships in The Peninsula Dental Society are NOT transferable to associates and expire May 1, 2020,

Dental staff members, spouses, and dental residents may receive a 50% discount on tuition. Dental residents must present their current hospital ID and a signed letter from their program director verifying their current status.

Refunds will NOT be given for missed seminars, Admission to a subsequent program of equal value may be offered.

The Peninsula Dental Society (PDS) reserves the right to cancel or modify course content, change the date, location, subject matter, or faculty, as deemed necessary. We may attempt to reschedule any program cancelled due to, but not limited to, inclement weather, airport closing, travel delays, health of the speaker, or facility issues. Neither the program administrator nor the PDS necessarily agrees with or endorses the subject matter, products, or techniques, advocated by guest speakers, who may have a financial interest in the products or services they introduce and discuss. Courses may include subject matter of an experimental or controversial nature. Additional training and study is required prior to attempting these new techniques, procedures, and materials. These courses are offered to the profession for educational and informational purposes in the spirit of academic freedom.

The New York State Dental Foundation and The New York State Academy of General Dentistry sponsor courses presented by The Peninsula Dental Society.
